Our 2021-2022 school year was yet another year of transition and trying to find our "new normal" after the Covid 19 Pandemic. Our school year started right after Labor Day, as usual. In the beginning we did need to maintain social distance and still wear our masks at all times. Although, we did get three seasons of sports, clubs were back as long as you had your own ride and by the spring time we were able to resume all our senior activities such as prom, class trips, awards nights and of course graduation! Despite facing challenges and hardships through out the year, we still found a way to push through together and make it another fantastic school year here at Tri-County.

A letter from your 2022 Class Officers

Dear Class of 2022,

As we reminisce on our time at Tri-County,let us recognize the importance of the laughs, the cries, and the memories we've created during these past four years. Through the rollercoaster that is high school, I hope we can take a moment to be proud of everything we've accomplished both personally and as a class. From acing a difficult test to winning a championship game, to even just excelling in our respective vocational fields, the trials and tribulations of the past four years have been intense. It is at this point that we can pat ourselves on the back and a collective sigh of relief can be shared amongst us. We've made it.

Our time at Tri-County has prepared us with both knowledge and experience that will guide us to success in our respective endeavors. Whether it be going straight into the field, enlisting in the military, or enrolling in higher education, we wish you all success and know that you will accomplish amazing things. As we close this chapter of our lives remember, as Dr. Suess once said, "Sometimes you will never know the value of a moment until it becomes a memory".
We will always be the class of 2022.

Congratulations,
Your 2022 Class Officers

Brett Almeida

Brett,

Congratulations!
There aren't enough words to describe how proud we are of you.
Today is only the first of many proud, successful moments for you.

We love you!
Mom and Dad.

For my son Trent:

There are no words that can express just how proud I am of you, so I will leave you with this:

"You know there's a light that glows by the front door
Don't forget the key's under the mat
When childhood stars shine
Always stay humble and kind
Go to church 'cause your mamma says to
Visit grandpa every chance that you can
It won't be wasted time
Always stay humble and kind
Hold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb
But always stay humble and kind
When the dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind
Don't expect a free ride from no one
Don't hold a grudge or a chip and here's why
Bitterness keeps you from flyin'
Always stay humble and kind
Know the difference between sleeping with someone
And sleeping with someone you love
"I love you" ain't no pick-up line
So always stay humble and kind
Hold the door, say "please", say "thank you"
Don't steal, don't cheat, and don't lie
I know you got mountains to climb
But always stay humble and kind
When those dreams you're dreamin' come to you
When the work you put in is realized
Let yourself feel the pride
But always stay humble and kind
When it's hot, eat a root beer popsicle
Shut off the AC and roll the windows down
Let that summer sun shine
Always stay humble and kind
Don't take for granted the love this life gives you
When you get where you're going don't forget turn back around
And help the next one in line
Always stay humble and kind"

.Love always & forever,

Mom
